Description

Here is a superb striking Carlton Ware charger plate in their 'Parrots' design - the blue and green birds on an orange lustre ground, with a border of blue and green leaves and berries with a beautiful thick gold rim. Dating to 1925, this charger is in splendid condition and measures 32cm in diameter, and 3cm tall. There are two factory made holes in the rear where a hanging string is attached. Please do not hesitate to get in touch if I can provide any further information or photographs. I've also listed two baluster vases and a footed bowl in the same design, so would offer a deal if purchasing more than one piece. I offer free delivery to mainland UK, and can help with quotes for overseas postage.
