Description

Here is an absolutely stunning Carlton Ware footed bowl dating to 1925 in their Best Ware series, and decorated in the 'Parrots' design, featuring blue and green birds on a striking orange lustre background with the most sumptuous and beautifully gilded handles and feet that you could wish for. The bowl measures 34cm wide (handle to handle), 9cm tall and 19.5cm across. As mentioned, the gilding is superb and a real highlight of the piece - as thick and glossy as the day it was applied, the rest of the bowl is lovely with no chips or cracks, but with a very light scratch on the inner left hand side of the bowl (shown clearly in the photos and reflected in the price - this is the last photo so you know which one you're looking for, all other white patches in the pictures are highlights on the shiny glaze), but the bowl displays beautifully as I hope you can see from the pictures. Please don't hesitate to get in touch if I can provide any further information or photos - I offer free UK mainland delivery and can help with quotes for postage abroad. I have other pieces in this pattern listed and would offer a deal if more pieces were purchased.
