Description

A fine antique Victorian oil painting of a steam engine train which I would date from around the 1880's period. This is a lovely subject and is a beautifully executed painting. The colour tones and details are particularly striking, this would make a fine addition to any home. It is in lovely original condition, with some minor wear and age related patina. There is no major damage to be seen. Width – 33 inches , 85 cm Depth – 1 inch , 2.5 cm Height – 24 inches , 60 cm
