Description

An attractive and well presented Victorian antique burr walnut oval tilt top centre table. The antique centre table has an oval shaped top with a moulded edge and decorative burr walnut veneered detail. The Victorian centre table sits on a turned column raised on a quad form base, with decorative carved splayed supports. The table top can be tilted upright for storage purposes. Also raised on four castors for the ease of movement. Item Ref; M-4510 . DIMENSIONS: Height – 74cm (table) / Width – 138cm / Depth – 99cm / Height (upright) - 160cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related scratches and minor splits to the veneered top (pictured), further marks and scratches to the base. One of the castors is slightly stiff, however the other three run smoothly. The antique centre table remains structurally solid and sound, with the tilt top function working well. Overall, a brilliant example of a Victorian burr walnut centre table.
