Description

An absolutely gorgeous and extremely impressive antique marble top cabinet. This was made in France, it dates from around the 1930's. It is made from a combination of burr walnut and king wood, with beautiful floral marquetry in satin wood. There are stunning and intricate gilt bronze mounts all over, and this has a removable marble top which is serpentine shaped, to match the contours of the cabinet. The quality really is magnificent, this is a very heavy and well built piece. We have recently had this re-polished to a very high standard, the condition is excellent for its age. Width – 50 inches , 126 cm Depth – 17 inches , 43 cm Height – 43 inches , 108 cm
