Description

A neatly proportioned antique mahogany chest of drawers. The antique mahogany chest of drawers has a rectangular shaped top with a moulded edge, above an arrangement of two short over two long graduating drawers, each with wooden knobs. Raised on a plinth base. Item Ref; M-4517 . DIMENSIONS: Height – 83cm / Width – 97.5cm / Depth – 43.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and scratches to the top, sides and front (pictured), also shrinkage to both sides (pictured). There are losses to some of the drawers beading (pictured), however this doesn't affect the overall integrity of the product. There is evidence of historic woodworm, this is now long gone and has been fully treated as a precaution. The antique mahogany chest of drawers remains structurally solid and sound, with the drawers running well. Overall, a well proportioned example. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and...
