Description

Beautiful small watercolour painting of a travelling musician with a lute over his shoulder and a peacock feather in his hat - off to serenade and entertain. The painting is delicately executed, and has the most glorious gilded border, with extra gilding applied to create a pattern on the leaves of this border. The painting is signed 'A Harwood', dated 16. V. 18, and dedicated to M Howard. A truly beautiful little treasure, this painting measures 11cm by 9cm, and framed and glazed is 19cm by 16cm. Please get in touch if I can provide any further information or photos. I offer free postage to mainland UK, and can help with quotes and postage abroad.
