Price

Sold**Item Reference: SA961825****Date of manufacture: 1890**

Description

A rare Danish solid silver baptism or christening spoon. It is hallmarked with the Danish Copenhagen date mark for 1890 along with the Assay Master Mark of Simon Groth. It has been beautifully made having a cast ornate Medieval style handle with a large engraved bowl. It is in super condition being free from dings splits and repairs. It measures approx. 6.75 inches (17cm) long by 2.75 inches (6.8cm) wide and weighs 66 grams. A very beautiful rare piece.

Internal Ref: 29686
