## Description

Northern European painted pine armoire de mariage dated 1836. The armoire has attractive but simple painting on the doors of birds and flowers and is inscribed with the date on the top. It has an internal shelf and a bottom draw and a fitted hanging rail. It could be easily have shelves if so desired. The piece is particularly useful as it breaks down into six pieces so it can go up a smaller staircase or through smaller openings. It fits together very simply with simple wooden joins. Dimensions - 175cm x 146cm x 57 cm
