Description

A smart and very useful antique two tier side table in solid mahogany. This was made in England, it dates from around the 1900-1910 period. It is beautifully designed, with an elegant yet sturdy shape. The legs are beautifully shaped, the top has canted corners and the lower tier has a beautifully etched border. This would be perfect for use as a lamp table, or to hold an art object or even as a plant stand. We have had this recently re-polished, it is in excellent condition for its age, with a gorgeous patina and a few small old marks beneath the polish in places. Width – 19 inches , 49 cm Depth – 19 inches , 49 cm Height – 28 inches , 72 cm
