Description

An attractive and well presented 19th century antique mahogany chest of drawers. The antique mahogany chest of drawers has an arrangement of two short over three long graduating drawers, each with polished wooden knobs. The antique chest of drawers is raised on a plinth base. Wonderful colour and grain throughout. Item Ref; M-4515 . DIMENSIONS: Height – 108cm / Width – 114.5cm / Depth – 55.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and fading to the top, front and sides (pictured). There are also losses to the drawers beading and to the top of both sides (pictured), however this doesn't affect the overall integrity of the product. The antique mahogany chest of drawers remains structurally solid and sound, with the drawers running well. Overall, a good example of its kind. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item. .
