## Description

Description. An uncommon pattern for this beautifully moulded Low Chelsea Ewer, attractively painted in Chinese Export style with floral sprigs and an elaborate lattice border. Other manufacturers also produced this pattern, but the shape is well known. Condition. In excellent antique condition. No apparent defects. Dimensions. 11cm in length. See our other items. If you like what you see, we do have other items that are not necessarily listed and which may be of interest. We use recycled packaging. It helps our environmental footprint, but does not necessarily look very pretty!
