Description

A well proportioned Victorian antique pine chest of drawers. The antique pine chest of drawers has an arrangement of two short over three long graduating drawers, each with white ceramic knobs. A rather pleasing example, full of character and charm. Finished with a fresh coat of natural wax. Item Ref; M-4423 . DIMENSIONS: Height - 95.5cm / Width - 95.5cm / Depth - 47cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related scratches and shrinkage to the top (pictured), further marks and scratches to the sides and front (pictured). There are minor losses to the tops edging on the left (pictured), however this doesn't affect the overall integrity of the chest of drawers. The antique pine chest of drawers remains structurally solid and sound, with the drawers running well. Finished with a fresh coat of natural wax. Overall, a well proportioned example. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition...
