Sold

Item Reference: SA962760

Date of manufacture: Edwardian

Dimensions

Height = 6 cm (2.4")

Width = 9 cm (3.5")

Description

A rare circular Edwardian silver and tortoiseshell jewellery box. Made by William Comyns of London in 1906. The box has a pull off lid and a full set of hallmarks on the base. The lid is very tight fitting and the silver pique work is in good condition as is the tortoise shell. A beautiful and highly collectable piece of William Comyns silver. WEIGHT; 116 grams or 3.8 ozst.
