Description

Elegantly painted sideboard in the classic Aesthetic Movement style. The sideboard features a pair of smoothly operating dovetailed drawers with gilt gold beeded gesso mouldings to the top of the drawers and its original typical Aesthetic Movement style solid brass polished dropper handles. Going down the sideboard features a pair of 4 fielded panel doors with beautiful shaped moulded edges which are painted with a Mahogany Hue slightly contrasting the ebonised finish. The doors both feature gilt (gold leaf) line...
