Description

A very rare Edwardian silver tea caddy with a hidden caddy spoon. Made in Birmingham in 1908 by the great silversmith George Unite. The caddy has a spoon built in to the inside of the lid, very ingenious. The caddy and the spoon have matching hallmarks. They are in very good condition with no repairs. The first caddy I have seen like this, very collectable. WEIGHT; 160 grams or 5ozst approx.
