Description

We are very pleased to offer this magnificent Farmhouse Table, I have described as barn style with the timbers used and the design of the base. French in origin and made of Solid Oak, we have bleached it to bring out the natural beauty of the oak, very good quality construction this table will be around for generations to come. The knee clearance is very good and a nice overhang at the ends also its a good depth and a great design to the top. We have never seen a table in the style before and so its a one off and would look fabulous in any setting. In excellent original condition for the home. Length 229 cm Depth 89 cm Height 76 cm End overhang 31 cm Knee clearance 62 cm
