Description

An Edwardian mantel clock timepiece, in a mahogany arch-shaped case with boxwood stringing to the edges and a boxwood and ebony inlaid line below the dial and on a plinth base raised on bun feet, with a brass bezel with a convex bevelled glass to the off-white dial with Arabic numerals in black and outer minute track with quarter markers in red, with blued steel spade hands to a French eight day drum type timepiece movement with a lever escapement and with integral winding key. English, with a French movement, circa 1910. Condition: Excellent, the clock is in very good condition with no marks or blemishes to the case, the dial is in very good condition, and the movement has been fully serviced and overhauled and is in good working order.
