Description

An early Tunbridge ware white wood sewing pannier, box with paint decorated and pokerwork decoration. Pokerwork is where the wood is burnt slightly to create a striking appearance. The pin hinge lid is painted with a panel of flowers within a black and white geometric border. This lifts up and reveals a divided interior. It has sloping sides over a box base fitted with a drawer, a replacement swing handle. The interior still retains much of the original pink lining paper. It measures 18.5 x 12.5 x 21.5cm h including the handle.
