Description

Antique 7 1/2 " Dial Mahogany Fusee South Eastern Railway Wall Clock JOHN WALKER PLEASE VIEW OUR EBAY SHOP FOR OTHER ARTICLES WE HAVE FOR SALE ALL OUR CONTACT INFORMATION IS LISTED UNDER 'BUSINESS SELLER INFORMATION' DESCRIPTION: This is a wonderful and very rare 7 1/2 inch dial SOLID mahogany cased fusee RAILWAY wall clock. The movement to this clock is excellent being a very good quality English chain fusee movement. This very rare railway clock with a cast brass bezel has a catch for closing and releasing the dial. The mahogany case with a one piece turned surround which is a wonderful patina which can only be gained through age, and is held onto the back box by two tapered pegs. The back box is of typical design with one side door and a bottom door secured by a brass lock which is complete with its lock and key. When the movement needs to be accessed the catch is simply released to the side which then allows the pendulum to be hung easily. The dial is marked out with Roman numerals and is signed with 'B.R.(S) John Walker 1 SOUTH MOLTON ST' and 'London 88.S.E.'. The dial is a little faded but has been left in this untouched original condition to show the authentic...
