

SA96339

An impressive London longcase clock by William Blackburn

Price

Sold

Item Reference: SA96339

Date of manufacture: Georgian

Description

A rare London clock of unusually large proportions. The 8 day duration five pillar movement striking the hours on a bell. The 14" arched brass dial showing both seconds and date and with Strike/Silent facility to the arch. The huge high quality mahogany case with excellent flame veneers throughout. Brass capped and reeded pillars to trunk and also to the base above a double plinth. The hood with brass capped angle pillars and original sound frets. The broken arch top has a removable pagoda top with three brass finials. Height: With Pagoda 9'3" / Without Pagoda 7'10"
