Description

Offered for your consideration is this excellent quality antique perfume bottle dating circa 1880 and standing 10.5 cm in height. This elegant and attractive antique scent bottle has tall, slim body with tapered base and multi faceted body. This perfume bottle is made of wonderful blue opaline glass. The bottle is fitted with an unmarked but tested sterling silver collar and hinged lid which has very attractive repousse decoration. The bottle also has the clear glass inner stopper. This fine and elegant antique scent bottle is offered in very good condition. There are no chips, cracks or fractures to the glass body or neck. The inner stopper is also undamaged. The silver lid fits firmly and securely and is free of dents or dings. Price includes free UK postage. International shipping is also available - please contact us for costs. Payment is accepted via Paypal, bank transfer or UK personal cheque.
