Description

A beautiful antique set of eight rosewood Regency dining chairs. The antique dining chairs all have decorative bar backrests with a yellow floral upholstered drop in seat. The rosewood dining chairs are all raised on turned and fluted forelegs with sabre back legs. A rather pleasing set of Regency dining chairs, with lovely colour and detailing throughout. Item Ref; M-4533 . DIMENSIONS: Height – 83.5cm / Width – 46.5cm / Depth – 51cm / Seat Height – 47cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and fading to the wooden frames in places (pictured), also some of the upholstered seats have minor marks and stains (pictured). There is also evidence of historic woodworm, however this is now long gone and has been fully treated as a precaution. The eight Regency dining chairs remain structurally solid and sound, with good tight joints. Overall, a pleasing set of antique upholstered dining chairs. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look...
