Description

A rather pleasing Georgian antique oak chest of drawers. The antique oak chest of drawers has a rectangular shaped top with a moulded edge that sits above two short over three long graduating drawers, each with brass drop handles. Raised on bracket feet. Brilliant colour and patina throughout. Item Ref; M-4527 . DIMENSIONS: Height - 90cm / Width - 96cm / Depth - 47cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches, fading and stains to the drawer fronts (pictured). There are further marks, scratches, stains and shrinkage to the sides and top (pictured), also two patch repairs to the right hand side (pictured). The antique oak chest of drawers remains structurally solid and sound, with the drawers running well. Overall, a well proportioned example. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item.
