Description

Very decorative pair of late 18th century French carved walnut wall mounted console table with Carrara tops. Being wall mounted, these console tables will sit flush against your wall rather than leaving a skirting board gap, so you get a neat finish to the top edge. Beautifully carved throughout on a cabriole leg and hoof feet, they both have a wonderful patina that only comes with great age and beeswax! The console tables are supplied with wall fittings, so they are very straightforward to fit and stand very securely. Priced as the pair. Measuring: 29 3/4 inches for 75.5 cm high 57 inches for 144.5 cm wide 11 1/2 inches or 32 cm deep
