Description

Queen Anne style turned walnut piano or dressing table stool with vintage upholstery, circa 1920. Although the upholstery is tatty and missing its braid, I've left this "as is" as like me, you might like to keep it as is, or it is no problem at all for me to have your own choice of fabric and braid put on for you...do just get in touch with any queries. It is comfortable to sit on and doesn't have a sag, so it's absolutely fine to use as is. The turned walnut frame is good and solid, cleaned and beeswax polished so it has a lovely mellow glow. 1m of fabric, 2.5m of braid required and £55 upholstery costs to redo if preferred...priced as you see it here. Measuring: 18 inches or 46 cm high 21 1/2 inches or 55 cm wide 14 1/2 inches or 37 cm deep
