Sold**Item Reference: SA964605****Date of manufacture: 1890**

Dimensions

Height = 246 cm (96.9")

Width = 119 cm (46.9")

Description

This Caucasian takes its name from the cloud bands clearly seen in the three medallions. It is a colourful and bold rug in good, original condition. All colours are natural and I particularly like the central medallion in green. There are also signs of asymmetry which generally indicates a better rug. 3'11" x 8'1"
