| USD \$6,076 | EUR 5,269

Item Reference: SA964631

Date of manufacture: Victorian

Description

Circa 1860. A Napoleon III bronze, ormolu, and white marble hunting 3-piece clock garniture. The five-inch enamel dial with Roman numerals and twin train movement, striking on a bell. The case surmounted by a bronze model in the form of a stag hunt with an unmounted figure with hounds at bay. Embellished with oak leaf mounts, stags head and stands of arms raised on scrolling bronze feet, together with a massive pair of five branch candelabra decorated on in a similar style. The combination of bronze, gilt bronze and white marble makes for a stunning three-piece garniture. Largest piece 73cm High, clock 58cm Wide
