Description

Hi I have for sale a top quality rare 1890 French carriage clock with the solid restored brass case made for the Turkish market with the Turkish sign at the top a really nice style clock. The Case The case is in solid brass and stands 15cm high x 8.5cm wide with a depth of 8cm it is in good original condition with beveled front glass sides and double top windows. The Dial The dial in good original condition in white enamel with Roman numerals and original ornate black hands. The Movement The movement is an eight-day time only; the movement has been fully serviced which is fully functional condition keeping good time over the eight days via the original escapement. The key is included. Overall a quality clock by a quality French maker just fully restored. I will post worldwide.
