Description

A stunningly beautiful silver and enamel box with a superb picture of a spaniel dog. It has a bird in its mouth and both are detailed in amazing 3D colours. It is enamelling at its best and the piece is hallmarked and has a town mark too, probably Austrian. A great collectors piece in very good condition especially the top enamel. The base and sides are engine turned and have a few small dings through use. WEIGHT; 152grams or 5ozst approx.
