Description

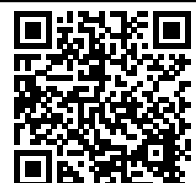

A great pair of antique oak bedside tables or cabinets. Both of the oak bedside tables have an arrangement of four fitted drawers, each with decorative brass backplates and drop handles. The antique oak pedestals are raised on a plinth base. A rather neat pair, with good patina and colour throughout. Item Ref; M-4091b . DIMENSIONS: Height - 75.5cm / Width - 34.5cm / Depth - 52cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and shrinkage splits to the sides and back (pictured), further marks and scratches to the drawer fronts (pictured). There is minor evidence of historic woodworm, however this is now long gone and has been fully treated as a precaution. Each pedestal has a few fill repairs (pictured), but this doesn't affect the overall integrity of the product. The antique oak bedside tables remain structurally solid and sound, with the drawers running well. Overall, a good pair of antique pedestal drawers.
