Description

A stunning antique French cocktail drinks cabinet, inlaid with various woods with gilt bronze mounts, dating from around the 1930's. The quality is fantastic, this is extremely well made and exquisitely decorated. It is made from king wood, walnut, satin wood and rosewood amongst others, and the gilt bronze mounts are also of excellent quality. There is gorgeous floral marquetry on the doors and even the top which is mostly out of view is beautifully finished. The upper compartment has a mirrored interior with a glass shelf, the lower cabinet also contains plenty more storage space and two internal drawers. We have recently had this re-polished, the condition is excellent for its age. Width – 35 inches , 89 cm Depth – 15 inches , 39 cm Height – 56 inches , 143 cm
