Description

This very attractive LARGE STAFFORDSHIRE JUG , decorated all round with stylised Poppies, was made by Myott & Son and dates from circa 1930. I have photographed it next to a one pint jug to give an idea of scale. The condition is good with no restoration. How lovely it would look filled with fresh flowers and foliage. Height: 9 inches (23 cm) Width including handle: 9.5 inches (24 cm) Express delivery within the UK is included. We are happy to quote for Overseas Shipping on request.
