Description

A most delightful sterling silver pot (possible a salt pot). The design is exquisite, a lovely scalloped bowl sits on one circular foot. To either side sit two superb, ornate silver Griffins as handles. The inside of the pot is wonderfully gilded and is a deep golden colour. On one side of the pot are the very clear and crisp hallmarks for the London Assay Office with a date mark for 1898, Lion Passant and maker's mark for the silver-maker: Wakely & Wheeler. An exceptional pot - fabulous gift for any occasion and in super condition. It sits nicely sturdy and is a good weight.
