Description

Fine, original condition. George 2nd walnut veneered toilet or dressing mirror. Shaped base with three drawers standing on its original ogee shaped bracket feet. The mirror frame is cross grain and nicely moulded with a gilt slip. Nice shape uprights terminating with brass finials. The mirror retains all of its original brassware except for the finials which I think might be later. The mirror is basically in un-touched original condition with no repairs and no damage and is a gorgeous mellow colour with a waxed finish. One of the nicest early walnut toilet mirrors I have seen for some time. SIZE; 17" wide by 9" deep by 26" high CIRCA; 1740 - 1760
