Description

Early 20th Century folk art huntsman figure A charming hand-crafted folk-art figure of a huntsman. Constructed from pine, lead and leather this figure stands holding a metal rifle in his articulated lead hands. With faded and worn paint and stood on an old ceiling gallery rose. Size of inches: H 9" x W 7" x D 4" Period: Early 20th Century Completely solid in structure and form, with natural wear and patination across all surfaces due to age and use. Faded paint, loss to detail as his foot is missing. The pictures aim to show the condition of this item from all angles, however as this is an old object, we ask that you bear this into consideration when wishing to purchase it. If you do however have further questions we are happy to help so please do get in touch.

Internal Ref: The Huntsman
