Description

This is a very fine example of a gents classic wristwatch made by the world renowned maker Vertex. This is a classic watch. The beautiful two tone sub seconds dial is in incredible original condition, one of the most gorgeous dials we have ever seen. The movement is Vertex top of the range calibre 59 17 jewels with incabloc shock proofing and jewels set in gold chatons. It measures 30mm wide excluding the winding crown. A new glass has been fitted and the case has been professionally polished so it is in superb condition. As you would expect the watch is fully marked on the dial, movement and case. This watch is just stunning and mint throughout, undoubtedly the very best Vertex we have seen and a superb museum collectors piece. The watch has been fully serviced and is guaranteed to be a genuine Vertex in all respects. It has been professionally overhauled, the process is highly detailed and meticulous.
