Description

A large factory clock made by Ferranti in the 1930's In completely original condition with a brass case and a white metal face.....it has a really period industrial look about it I have not polished it, so it is in the condition that it came out of a mill in Stockport, Manchester The electric motor has been replaced with a modern battery unit but I have the original movement, complete with adjustment rod and hands which could be put back if preferred Measures 20 inches in diameter and 3 inches in depth A real statement piece that would grace a period or contemporary home For collection or I can arrange delivery...please contact me for a quote All my items are sold with a full refund policy, if you are not completely satisfied with your purchase Alternatively you are welcome to view any item prior to purchase, we are based in Wrexham North Wales
