Description

Outstanding Omega Seamaster gents wristwatch. This is an incredible example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch is the Seamaster day date with calibre 752 automatic movement. This is an amazing unrestored example of this iconic Omega. All of the edges are clean and sharp, it has never been polished or restored. The original dial is perfect, the only thing we have done is to service the movement and give the case a thorough ultra sonic clean. The movement has just been serviced and comes with a 1 year warranty. As you would expect the watch is fully marked on the dial, movement and case. The watch case is oversize and measures 36.5mm in diameter not including the crown. It clearly has been seldom worn and a superb collectors piece. Overall this watch is in superb original condition and an absolute must for Omega collectors. The watch has been fully serviced by and is guaranteed to be a genuine Omega in all respects. It has been professionally overhauled, the process is highly detailed and meticulous.
