A neatly proportioned 18th century antique oak chest of drawers. The antique oak chest of drawers has an arrangement of four long drawers, each with brass drop handles. The 18th century chest of drawers is raised on four bun feet. A wonderful example, full of authentic charm. Item Ref; M-4535 . DIMENSIONS: Height – 87cm / Width – 94cm / Depth – 51.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches, stains and shrinkage to the top (pictured), further marks and scratches to the front and sides. There are patch repairs to the drawer fronts, however this doesn't affect the overall integrity of the product. There is also evidence of historic woodworm, however this is now long gone and has been fully treated as a precaution. The antique oak chest of drawers remains structurally solid and sound, with the drawers running well. Overall, a good example of its kind.
