Description

A fantastic pair of antique Swedish leather club chairs. They were recently imported from Sweden, they date from around the 1930's. The quality is outstanding, they are extremely well made and are very comfortable. The solid and heavy frames are well sprung, the brown leather is thick and also of amazing quality. We have had the leather revived and hand coloured by our leather restorer, the tapered solid oak legs have also been re-polished. The condition is excellent throughout.
