Description

An early example of a gentlemen's wristwatch with London silver marks for 1918. A quality silver Borgel case with winding crown and 'blip' to change the hands on the case side. An enamel dial with Roman numerals and red marker at 12 position. A jewelled manual wind mechanism. The watch has survived in excellent condition. The Borgel waterproof cases were often used by the military officers in WW1. It can be changed to a military type leather strap. Case width 34mm (excluding crown) Case width 40mm (to crown) From Kembery Antique Clocks Ltd you can expect a genuine wristwatch supplied with a presentation box that is in full working order and sold with 12 months guarantee. If you have any questions regarding our watches please call us or email us and we will be happy to help you.
