Description

Victorian mahogany double pedestal desk This Victorian mahogany double pedestal desk was made circa 1870. It is made in 3 parts, the top and 2 pedestals each side of the knee-hole. This makes it very easy to transport to and around your home or office. The top has 3 drawers, the centre drawer being wider than the ones flanking it. Above these drawers is the inset replacement antiques red writing surface with gilt tooling. To each side of the knee-hole are the pedestals, each fitted 3 graduated drawers. All the drawers are fitted with the original turned mahogany knob handles. Imagine the pleasure of ownership you will have working at this desk. There is a key to lock the centre drawer.
