Description

Michael Jackson b. 1961 - 'Peregrine Falcon' Michael Jackson is a Lancashire born Wildlife Artist who studied Natural History Conservation at Blackpool and Flyde College. He later went on to establish a career as an Illustrator and part time teacher. Jackson's passion and inspiration has taken him around the world observing animals, birds and people in their natural surroundings which has greatly influenced his work. His art is highly accomplished and he remains one of the leading Wildlife artists today. He has had a number of successful exhibitions in the United States and United Kingdom. His exceptional art work remains highly collectible and sought after. Signed and Dated Watercolour and Gouache
