Description

Victorian Wellington chest was made of mahogany circa 1870. This example is the compact size that can fit into any home. Fitted with 'the day of the week' 7 graduated drawers. The drawers have the original turned knob handles. These chests were the original filing cabinets where you could lock all the drawers just using the hinged locking bar with a single key. As this is a lovely small size it can be used in many places around your home and giving you plenty of storage space at the same time. Imagine owning this Victorian Wellington chest and the pleasure it will give you. 50cms wide 19 3/4ins 34.5cms deep 13 1/2ins 104cms high 41ins All dimensions are approximate, whilst we take as much care as possible, we can be marginally out.
