A most unusual and large sized Art Deco cocktail shaker by the well renowned P H Vogel, fully signed on the underside together with "Made In England". Made from silver plate, it came to us in poor shape but it has just been returned from our silversmith's workshop where it has been professionally overhauled, restoring it to its former glory. A truly unusual example, it has been engraved with five different cocktail recipes; White Lady, Bronx, Sidecar, Clover Club, Monkey Gland.
