## Description

A stunning silver gilt cast top table snuff box. Made in London in 1824 by Edward Farrell. The top has a great 3D cast scene of five men listening to a seated man, as yet the scene has not been attributed to any particular event. The base, the lid and the cast top all have hallmarks. There is a stiff stand away hinge and the lid fits beautifully. The base has engraved flowers and the inside has original gilding. One of the best boxes I have ever had for sale. A must for any collector. WEIGHT; 236 grams or 8ozst approx FREE DELIVERY IN UK, QUOTE FOR INTERNATIONAL Payment by PayPal, bank transfer or card payment on the telephone. Returns within 14 days of purchase allowed but all postage and insurance to be paid by purchaser.
