Description

Arthur Alfred Davis died 1910. British sporting artist working in both oil and watercolour often featuring dogs. The colours are strong and vibrant in this pair of attractive watercolours and although the second example has some foxing to the sky it does not detract from the overall image of the watercolour. Housed in the original decorative gilt frames. 'Working Setter Dogs' pair signed watercolours, one dated 1910, image size 25x37 cms, framed size 33x44 cms
