Description

A rare very beautiful Chinese export solid silver dish. It is hallmarked with Chinese export marks and a makers mark. I would date it to c1890-1900. It has been beautifully made being in the form of a lily pad and engraved with a fish and lobster. It is in superb condition being free from dings splits distortions and repairs. It measures approx. 3.75 inches (9cm) across by almost 3 inches (7cm) wide by 1 inch (2.6cm) tall and weighs 56 grams. A rare beautiful piece.
