Width = 34.9 cm (13.7")

Depth = 34.9 cm (13.7")

Description

A superb mid 17thc brass and iron warming pan....it is in excellent condition with a lid that is decorated with a six point punchwork star and central and bordered embossed flowers...the handle also is decorated with a scratch leaf design....the rolled copper rivets are also a clue to its early age....this is certainly one of the best warming pans I have purchased in a long time..! English. C1640-60.

Internal Ref: MS 7676
